PARENTS' ASSOCIATION

Registered Charity No 1098132

Dear Parents

As mentioned previously, we have a couple of ways you can support and help raise money for the PA from the comfort of your own home.

NFER

The National Foundation for Educational Research (NFER) is looking for parents and pupils to give their opinions, predominantly via online surveys, on a wide range of educational issues. This information will have a direct impact on education policy and practice for a variety of organisations. £2 will be donated to the PA for every household that signs up to the panel and panellists will earn points (with a redeeming value of £2) for every survey they complete.

For more information or to sign up – please go to www.nfer.ac.uk/panel
When prompted for our PA code, please enter **WE863**

Easyfundraising

If you do any shopping over the internet, the chances are that the retailer is a member of Easyfundraising and by buying through a link from their website a donation will be made to the school. Whether buying from books from Amazon, clothes from M&S or a holiday through Expedia you can help us and no extra cost to yourself. For example, if every pupil in the school bought a CD or download for £5 from Amazon over £125 would be raised for the school.

To register simply go to <http://www.easyfundraising.org.uk/causes/shsbpa>

This is a really simple process, costs you nothing to use, and doesn't impact in any way on your normal online purchasing procedures – we cannot recommend it highly enough.

Race Night

We're holding a Race Night on **Friday 1st April at 7.30 pm**

For those who haven't been to a Race Night before, this is a fun family event. No previous knowledge of racing is needed. We show 8 races (horse or greyhound) with 8 competitors in each. These are selected at random so nobody knows the winner. Bets can be made for 20p each, and if your horse wins you win! It's as easy as that.

Tickets cost:
£3.00 adults
£2.00 a child/student

This will be a fun evening – booking slips will be sent out soon. We hope to see you there.

All Funds raised go towards helping our School
