Dear Parent

### RE: Spanish support sessions

I am writing to you with regard to your son's current performance in Spanish. Unfortunately, his result in **IAR 1** was rather low, given that he only scored a **Level 3/4 overall**. Looking ahead, it is clear that he does need to focus on improving his Spanish and we think that he would benefit from some help to do this.

As the Spanish Department has been doing since September, we will continue offering **support sessions in L4 every Wednesday from 1.15 to 1.45 pm**, for which your son's **attendance would be advisable**. This is not a sanction, but instead it is our attempt to help him close any gaps in his knowledge by providing them with an extra opportunity to practise and to ask questions.

If your son is unable to attend any of these sessions, please be aware that he needs to advise me of that in advance, giving a valid reason, as it is very important for him to attend.

Naturally, it is very important for your son to also keep engaging in regular and thorough revision at home, in order to help him to improve his grades and to achieve a satisfying result in his GCSE examination next summer. There is still some time to turn things around, but time will be running out fast.

Please do not hesitate to contact me, should you have any further questions.

Yours sincerely

Mr M Tatay  
Leader of Spanish
