Dear Parent(s)

RE: Ski Trip 2022, students who are able to travel

Further to my recent correspondence, I have now had a meeting with Dr Bevan in order to discuss the latest guidance we have received from SkiTeam4 in regards to our Ski Trip in February 2022.

SkiTeam4 have advised us that in order for students to access hotels, ski lifts and restaurants in Italy; they will need to have a 'super green pass'. **This is only available to those over 12 years of age who are double vaccinated** (14 days prior to travel).

I am pleased to confirm that our records indicate that your son/daughter is able to attend this trip on merit of either:

- A. Already being double vaccinated
- B. Having the opportunity (based on the date of the first vaccination) to be double jabbed by 28th January 2022
- C. Is under 12 years of age, and thus exempt from vaccination requirements

Please can you complete the MS Form below, confirming that your son/daughter does/will meet the criteria for the 'super green pass' by no later than **3.30pm tomorrow, Thursday 20th January**. Apologies for the limited notice of this requirement and the urgency of completion; you will appreciate we are under considerable pressure to confirm final numbers as soon as possible.

If you believe that your son/daughter will **not** be eligible for the 'super green pass', please let us know the reason on the MS Form.

When we know the exact numbers of those attending the trip, we will organise an information meeting for parents. We will then provide you with a step-by-step guide for what needs to be done before departure, during the trip and on return. **Please not, this will involve a pre-trip test, a test on return to the UK, a COVID vaccination letter (for 12 to 15 year-olds, easily available from the NHS) or the NHS app showing up-to-date vaccination status. Please also note that any costs incurred in these tests are your responsibility.**

If you have not already filled in the following MS Form concerning your son/daughters personal details (passport number, height etc.), please do so **no later than 3.30pm tomorrow, Thursday 20th January**

With the ever-changing guidelines, this trip has not been an easy one to organise. Despite that, we are thrilled to be able to take this trip forward, albeit, sadly, with reduced numbers. I trust you are in agreement with us that this trip offers your son/daughter an exciting opportunity and experience.

Yours sincerely,
Mr R Casey
