September 2019

Dear Parent(s)/Guardian(s)

Re: Maths Calculators

Your son will require a suitable scientific calculator in his Maths lessons. As such, the Maths Department is able to supply a Casio FX83GTX at the price of **£8.50**, if ordered through the school. The calculator comes with a protective hard case and has all the functions ideal for GCSE.

Our method of payment is Wisepay, you will find the item under the “shop” category on your Wisepay homepage. If for any reason you are unable to access your Wisepay account, please contact Mrs Howley in the finance office as soon as possible.

Please ensure payment is made by the deadline of **Tuesday 24th September**. After this date it will not be possible to accept further orders.

A calculator will be issued **during your son’s Maths lessons** by his Teacher as soon as possible **after** this deadline has passed.

Yours sincerely

Mr J D Howley
Assistant Leader of Mathematics
