

Southend High School for Boys

Locker Guidance for Parents

Year 7

All pupils starting Year 7 will be issued with a locker and a key during the first week of the autumn term. This is for use throughout Year 7.

To provide this service a £5.00 deposit is required in advance through Wisepay. No key will be issued until the deposit is received. The deposit is fully refundable at the end of Year 7, provided the key is returned.

The charge to replace any lost keys is £5. Any student who is unable to return their locker key at the end of the year will therefore forfeit their £5 deposit.

All lockers must be emptied and left open by pupils at the end of each term to enable cleaning by the caretakers.

Years 8-11

Lockers can be rented in Years 8-11 on an annual basis; the total annual cost of this is £15. Of this amount, £5 is a refundable deposit which will be returned to you at the end of the academic year when your son returns his key to the Finance Office. The remaining £10 is a contribution to the school for the provision and upkeep of the lockers.

Lockers should be paid for through Wisepay; once you have paid, your son will be able to collect a key from the Finance Office. Please note, it is your son's responsibility to collect his key.

The charge to replace a lost key is £5. Any student who fails to return their locker key at the end of the year will therefore forfeit their £5 deposit

This rental process is on a first come first served basis, with approximately one quarter of the school population in Years 8-11 provided for.

All lockers must be emptied and left open by pupils at the end of each term to enable cleaning by the caretakers.

Years 12-13

Years 12 and 13 will have the option of using a locker with a padlock; students must provide their own padlock. The school aims to provide lockers for a third of the Sixth Form population; again on a first come first served basis.

All lockers must be emptied and left open by pupils at the end of each term to enable cleaning by the caretakers.
