September 2023

Dear Parent(s),

RE: GCSE Science Live! Conference

I am writing to invite your son to join us at the GCSE Science Live! conference in London on 1 December 2023. The visit will include the chance to see and hear five of Britain's top scientists, all working at the cutting edge of their specialisms. The scientists are carefully chosen for their ability to communicate with students of this age in a direct and exciting way.

The day will be fast-moving, exciting, thought-provoking and will give students the chance to raise issues with the scientists whilst showing them that science really does offer solutions for many of the world's great problems. Each pupil will receive a booklet with details about each scientist, the lectures, and some general articles about studying science and working as scientists. It also aims to help improve pupils' science GCSE results with top tips on examination success from an experienced science examiner.

The school has secured 49 spaces, with pupils selected using a combination of academic record and engagement within science and I am pleased to offer your child this opportunity to attend. **The trip will cost £40.00** which includes entry to the conference and the coach journey to and from the venue. Lunch will not be provided so students are advised to bring packed lunches. **All payments should be made on WisePay by Friday, 29th September.** We appreciate that this is a tight deadline, should you have any difficulty in accessing your account, or any concerns about payment, please contact Mrs Wightman in the Finance Office on mcw@shsb.org.uk at your earliest convenience.

Once you have made your payment, please complete the required "Offsite Visit Form" below:

<https://forms.office.com/e/eanp3TSbq2>

Please see the below itinerary for the day.

07:45	Arrive at SHSB, front bus stop
08:00	Depart SHSB by coach
10:15	Arrival at the Dominion Theatre
10:45	GCSE Science Live! conference begins
15:00	Conference ends
15:30	Depart from the Dominion Theatre
17:00	Arrive back at SHSB

If you have any queries or concerns, please do not hesitate to contact us via the school's enquires email.

Yours sincerely,

Mrs S Rivers
Teacher of science
