October 2023

Dear Parent/Guardian,

RE: 2025 World Challenge Trip to Eswatini & Mozambique

I am pleased to share with you, after incredibly successful trips in recent years to Ecuador (2019) and Peru (2023), SHSB will once again be offering students the opportunity to take part in an international adventure. The trip will give students the opportunity to explore new cultures, terrains and experiences, with the support of expert guides, whilst developing their life skills, confidence and independence.

We are partnering with World Challenge, who will be hosting an online talk about our exciting Eswatini and Mozambique expedition which will run in July/August 2025.

The trip itinerary includes trekking along the Lubombo trail, exploring the Ezulwini valley, supporting a community initiative in Eswatini, a unique marine conservation project in Mozambique and the opportunity to visit the extraordinary Kruger National Park for a sunrise safari. For the full itinerary see the link below.

Applications are already open, so please visit the [world challenge site](#) to find out more Information about our trip. Here you will find the sign-up link, itinerary, travel dates, Covid-secure booking terms and trip cost – examples of how past students have earned this themselves will be covered in the talk.

Holly from World Challenge will host a 20-minute **zoom presentation on Tuesday 17th October at 6pm**. Please join the call and ask any questions you have. To attend, you can register for the zoom presentation in the world challenge site link.

In the meantime, if you have any questions you can get in touch via enquiries@shsb.org.uk or alternatively contact World Challenge directly via their website.

Yours sincerely,

Mr E Sainsbury
Trip Organiser
