November 2023

Dear Parents and Carers,

We will be producing a Traditional Christmas cake which consists of a fruit cake, marzipan layer and fondant icing. We are producing this over three lessons and this will enable us to develop new skills in the production of a highly decorative large cake. This is a unique learning experience for our students as we will be using new decoration methods to produce a high-quality Christmas cake and will strive for a professional standard of decoration. The students will bring their cake home on a cake board and in a presentation box.

To make this as simple and affordable as possible, I have bulk bought all of the ingredients and necessary equipment. A voluntary contribution of £6 towards the cost would be greatly appreciated. To make the contribution, please visit the Shop/Miscellaneous section of Wisepay and you will find the item there.

Thank you for your continued support of your sons purchase of ingredients for the Food Nutrition and preparation course.

If you have any questions, please do not hesitate to contact me at [EAT@shsb.org.uk](mailto:EAT@shsb.org.uk). The deadline for contributing is Friday 8<sup>th</sup> December. If you have any trouble paying, please contact [MCW@shsb.org.uk](mailto:MCW@shsb.org.uk).

Yours sincerely

Mrs E Tyler  
Food Technology
