RECRUITMENT PACK  
Supply Teachers (rolling advert)

### Message from Dr Robin Bevan, Headteacher

Since September 2007, I have been delighted to serve as Headteacher at Southend High School for Boys. Every day is rewarding. I enjoy being a part of this school and helping to shape our future. Please look at our website – it will help give you a sense of our values and offers an insight into the vibrant activity that fills each week.

At Southend High School for Boys, talent is nurtured and learning is valued. Challenge is welcomed, participation is expected and achievement is prized. Pupils are happy, and prosper at the school.

As a grammar school, high academic expectations are central to our purpose, and these are sustained through an extensive programme of support and guidance. Pupils develop their confidence and enthusiasm through a wide range of creative, sporting and other endeavours.

Southend High School for Boys stands on a superb site within walking distance of Prittlewell Station and the centre of Southend. Pupils retain fond memories of their years at the school, and stay in contact for many years.

Our school preserves values and traditions from the past, and prepares pupils through a contemporary curriculum for the world of tomorrow.

*"Contemporary traditions: one with future and with past"*

## Information about the school

Southend High School for Boys (SHSB) is an 'Outstanding' school (Ofsted 2015), rated as outstanding against every one of the inspection criteria. It is one of four selective 'grammar' schools within Southend. The main school, years 7 to 11, is single sex boys with 180 in each year group. The large sixth form, with 400 A-level students, is mixed with over 100 girls.

The school is thirty miles from London on the Thames Estuary and is close to main road and rail links from London, and to Chelmsford and Cambridge. There is 'an ethos of excellence in both academic achievement and a wide range of activities [that] permeates all aspects of the school' (Ofsted 2015). Talent is nurtured, learning is valued, challenge is welcomed, participation is expected and achievement is prized.

The school is recognised as a welcoming institution, with an open and friendly approach, where outstanding behaviour is elicited through fostering mature relationships. Pupils spend seven years at Southend High School for Boys: the influence of the school across that time can be significant in determining the life trajectory for each individual. Our vision is to set them on the path towards young adulthood with the highest aspirations and equipped to make a positive and worthwhile contribution to society – often in the role of leaders. Pupils learn what we teach, but more significantly they learn by how we teach.

Southend High School for Boys is a creative and pioneering teaching community. In 2006 we became a Leading Edge school. This accolade gave recognition to our programmes for improving learning and for encouraging innovation. Our philosophy is to share good practice, encourage creativity and nurture innovation so our pupils benefit from a stimulating learning experience and our staff benefit from collaboration and professional development with like-minded enthusiastic individuals. The school is strongly committed to supporting staff in their educational research and gives time allowances and subsidies for this. Over a third of our staff have achieved higher degrees during their time with us. We regularly support other colleagues in other schools, having been designated as a regional research hub in 2019, and have a wide ranging professional development programme.

We were the first secondary school in the Eastern counties to receive the Challenge Award and the first in the world to secure a fourth accreditation, in recognition of our provision for the highly able learners. Assessors in the report commented: "Southend High School lives up to its aim of 'Nurturing and Supporting Young Talents' through offering exciting and stretching opportunities for learning well beyond those offered in many other schools. Pupils make full use of these opportunities, share responsibility with staff for setting and achieving challenging targets for themselves and are proud of their achievements. Challenge is firmly embedded in all aspects of school life."

Our values are reflected in various accolades including being recipients of the EQualities Award, pioneering work in this field, as well as being a Fairtrade institution and a Pupil Premium Awards winner.

The school offers an extensive range of extra-curricular activities and has an excellent reputation locally for its music, science and drama. All pupils and staff are encouraged to get involved and to follow their interests and share their passions with others: our activities range from the debating society to Warhammer! In the science department there is a thriving Science Society which has well over a hundred members.

We are proud of the fact that our most able athletes have competed in international competitions, have represented England at World Schools Championships in cross country and athletics and have won over 20 national titles in the last 10 years. Likewise our staff is also committed to healthy living; having designed well-being programmes for staff and organised social events such as cooking classes and relaxation sessions.

The pupils on roll benefit from specialist facilities including a modern Sports & Music Centre and Drama Studio. Members of staff are encouraged to use the sports facilities and as such a number use the gym. A dedicated Maths building was completed in 2011 and 2018 saw the completion of our new Hitchcock building which contains a state-of-the-art library, additional teaching space and pastoral offices.

The main school's admission number each year is 180, split into six forms of 30. The present teaching staffing complement is 67 full-time equivalent, with 54 support staff (full and part-time), who support teaching and learning in various capacities. Currently the school operates with 50 one hour periods per fortnight, the school day running from 8.30am -3.30pm.

## The post – Supply Teacher

This is a rolling advert to encourage applications from experienced and well-qualified Teachers (or retired Teachers) who wish to join our team of casual Supply Teachers. We are particularly keen to receive applications from specialists within Maths and the Science disciplines, and those who are experienced teaching GCSE and A Level classes across the curriculum.

As a selective school, we have a number of very able students but we are looking for a well-qualified teacher able to motivate and challenge *all* our students. - Auto-enrolment into a contributory pension scheme (TPS)

## OUR LOCATION

Southend High School for Boys is situated in the heart of Southend On Sea, a resort town on the north side of the Thames Estuary in Essex, southeast England, 40 miles east of central London.

Southend is home to the longest leisure pier in the world (at 1.34 miles) and it is serviced by a small train and has a museum at its shore end. The Cliff Lift, a century-old funicular, clings to the hillside and offers coastal views.

Southend originally consisted of a few fishermen's huts and farms at the southern end of the village of Prittlewell. In the 1790s the first building, around what was to become the high street, were completed. In the 19<sup>th</sup> century Southend's status of a seaside resort grew after a visit from Princess Caroline of Brunswick and Southend Pier was constructed.
