February 2024

Dear Parents and Carers,

Southend High School for Boys Charity Week 2024: Golden Tickets

Charity Week 2024 is almost here! Running from 12th-16th February, the Charity Committee have organised a range of fun and exciting events designed to get as many students involved as possible in order to raise money for local and national charities.

This year our chosen local charity is The Carli Lansley Foundation, which aims to provide free cardiac screenings for 15-35 year olds across Essex. Our chosen national charity is Young Minds, who provide outstanding mental health support to young people.

Events range in price from 50p to £2.00 for the main events. However, we are offering a limited number of special 'Golden Tickets' which allow students entry to all main events across the week, all for £10. This saves your child having to queue to pay for entry for each event; in addition, each ticket is numbered, and each day throughout charity week a draw will take place, with winning golden tickets receiving a prize.

Golden tickets will be available for purchase in the main Foyer at lunchtime from Wednesday to Friday before charity week (7th – 9th February). However, if you would like to make payment via WisePay please go to the ticket and event bookings tab. Your child's ticket will be made available to them via registers before Charity Week commences.

If you would also like to make any additional donations, these would be gratefully received, and the form has an option for this as well.

Kind regards,

Charlie Foley
Head of Sixth Form
Southend High School for Boys
