6th February 2024

Dear Parents and Carers

Re: Change of Fieldwork Location from Stratford to Brick Lane, London

I am writing to inform you of an adjustment in the location for the upcoming Geography fieldwork trip scheduled for Wednesday, 7th February.

Originally planned for Stratford, London, the fieldwork destination has now been changed to Brick Lane, London. We believe this alteration will provide students with a valuable and insightful experience that aligns with our educational objectives.

Despite the change in location, students are still expected to travel independently to London. Our Geography department staff will be present to meet the students promptly at 8:30 am. However, please be aware that the meeting point is now **Liverpool Street station** instead of Stratford.

We understand the importance of clarity and organisation, and we assure you that the exact meeting point will be communicated to the students in advance of the trip. This information will be posted on the Show My Homework (SMHW) system, providing a centralised and accessible platform for students and parents to access trip-related details.

We appreciate your understanding and cooperation in this matter. If you have any concerns or questions, please do not hesitate to contact us through enquiries@shsb.org.uk. In the event that it is not possible for the student to attend, then please let us know so that alternative arrangements can be made.

Thank you for your continued support of our educational initiatives.

Yours sincerely,

Mr Brooks
Geography Teacher
