Dear Parents and Students

I am writing to invite you to our Introduction to Post 18 Choices presentation for parents and Year 12 students, which will be held at school on **Wednesday 24th April 6-7pm**.

At the meeting, we will go through the different options available post-18, outline the different types of universities and courses, and explain how we tackle the whole university application process here at school. We will also advise on sources of information, the UCAS procedure and the specifics of applying to Oxford and Cambridge. Higher and Degree Apprenticeships information will also be shared. The session should last approximately 1 hour.

The progression to higher education is complex (not least the decision whether to apply in the first place) so I am sure you will find it helpful to know what your son/daughter will be doing at certain times over the coming months.

I should emphasise that this meeting is intended for parents **and** students (students will not be expected to wear uniform)

Please could you confirm your attendance by clicking on the link below and submit by Friday 19th April.

If you have any queries, please contact Mrs Hamilton, our Post-18 Student Adviser, by email on ceh@shsb.org.uk

Yours sincerely
