April 2024

Dear Parents and Carers,

Re: Science Fair at Earls Hall Primary School

On **Friday 19th April** students from Year 10 in Southend High School for Boys will be hosting a **science fair as part of the science day at local primary school Earls Hall**. As a student who has shown a particular interest in science, your son has been asked to help to run the fair and provide insight and inspiration to the primary school pupils.

Students will be leaving school at **1:00pm on the 19th April and walking 5-10 minutes to Earls Hall**, which is located on Carlton Avenue. While there, they will be responsible, in pairs, for demonstrating and explaining one of the activities. Students will walk back to SHSB and **arrive back for 3:30pm**.

There will be no cost associated with the trip, but students will be expected to catch up with the work they will be missing from their P3 lesson on Friday. If you are happy for your son to attend, **please complete the consent form below by the end of the day today (Thursday 18th April)**.

<https://forms.office.com/e/OK0wSC7ip5>

Please review the school's Trip Code of Conduct via the link below, and ensure your son is aware of, and committed to, the required standards of behaviour.

I hope this will be an interesting and rewarding opportunity for all involved. If there are any questions or queries please do not hesitate to contact me via enquiries@shsb.org.uk.

Yours sincerely,

Mr Sweeting
