Hello,

All the volunteers at SHSB Parents' Association would like to say welcome to the school and we hope your son finds our school a happy and welcoming place to be. We also wanted to reach out and briefly let you know about the things that we do before we meet you all properly at the upcoming meetings next month and in the Autumn term.

We are a group of parents who support the school at open evenings by serving refreshments to visitors and also by raising funds for them, for example, at the beginning of this school year we donated £15,000 to the school minibus appeal. We raise funds in a number of ways including our pre-loved school uniform shop, year 7 discos, selling refreshments at concerts and productions and our annual Christmas raffle.

One of the simplest ways for us to raise money, and one that we would like to ask you to help us with, is through [www.easyfundraising.com](http://www.easyfundraising.com). This is a really easy and free way to earn money for Southend High School for Boys. When you start your online shop through the easyfundraising website or app, the shop pays easyfundraising commission which they give back to us. You can make the whole process even easier by downloading the 'Donation Reminder' to your desktop which means donations are added even if you forget to go through the easyfundraising website. For more information, please scan the QR code or visit the website link for more information and to sign up.

We always love to welcome new members to our group of friendly volunteers; we mostly communicate through WhatsApp or email where we share information and ask for occasional help at events. If you would like more information or wish to join our volunteer group, please e-mail [1shsbpa@gmail.com](mailto:1shsbpa@gmail.com) or contact the school office. Otherwise, we look forward to meeting you soon.

Thank you for your support.

Jenny and all of us at the Parents' Association
