Dear Parent/Carer

Looking ahead to A Level Results Day, please see the link below which gives you information about what to expect on the day.

The link below outlines the options your son or daughter may face on the day and explains the processes of Clearing. Clearing is a service that is offered to students who have not achieved the grades needed to get into their firm or insurance choice universities or have achieved better results than expected and want to explore different university options.

If your son/daughter is intending to make a new UCAS application in autumn 2024 for 2025 entry, they can do so through the school. We offer this option to all students within one year of them leaving SHSB. If a student is intending to make an application, they need to inform me as soon as possible, via my email address ceh@shsb.org.uk. We will offer them the chance to link their application to the school, support in writing a personal statement and will provide an up to date reference.

Please remember that A Level results day is Thursday 15th August. Students will be able to access their results online via Go 4 Schools from 8.30 am. The school will be open from 8.30 am onwards for paper results collection and social time for students to come and share the moment with their year group.

The sixth form team and I will be in school from 8.30 am to offer advice to any student following their results if needed.

On behalf of all the teachers and tutors, I would like to wish your son/daughter the best of luck on results day and thank you for your support over the past 2 years.

Yours sincerely

Mrs C Hamilton
