

# GCSEPod Login Instructions

1. Go to [www.gcsepod.com](http://www.gcsepod.com)
2. Click the 'Get Started' button circled in red below

The screenshot shows the GCSEPod login page. At the top, the logo for GCSEPod is displayed, with the tagline 'an access company'. Below the logo, there is a login form with two input fields: 'Username or Email' and 'Password'. A pink 'Login' button is located to the right of the password field. On the left side of the form, there is a pink box containing the text 'New to GCSEPod?' and a yellow 'Get started' button, which is circled in red. Below this box, there is a 'Need help?' section with a 'Forgotten my login details' button.

3. Complete your details in the fields provided. Ensure your name matches the name we have on the register for you.

The screenshot shows the GCSEPod registration page. At the top, the logo for GCSEPod is displayed, with the tagline 'an access company'. Below the logo, there is a registration form. The first section is 'I am a:', with two buttons: 'Student' (highlighted in pink) and 'Teacher'. Below this, there are four input fields: 'First name' (with 'Forename' as a placeholder), 'Last name' (with 'Surname' as a placeholder), 'Date Of Birth' (with three dropdown menus for day, month, and year), and 'School' (with 'Search for your school' as a placeholder). A 'Back to login' button is located at the bottom left of the form.

4. Choose your username and password and untick any boxes for subjects you don't study
5. Explore the 'Pods' for each subject – GCSEPod should cover all of your GCSE subjects. The individual 'Pods' are videos on each small topic, all accompanied by some questions on that topic to ensure you understood the content.
6. You can come back to these Pods every so often to check you have remembered the content, creating spaced retrieval which will help with information retention!
