

The Citizenship department at SHSB considers the following criteria to be important in defining what is meant by more able and talented in Citizenship:

- Communicate effectively using both the written and spoken word, in ways that are appropriate to task and audience
 - The ability to clearly articulate arguments and support them with evidence. This can be demonstrated through spoken and written forms
 - Show enthusiasm and enjoyment in the subject; can be sensitive
 - Learn subject-specific vocabulary and use it accurately
 - Reason, argue and think logically
 - Wide-ranging general knowledge about the world and topical issues
 - Able to transfer knowledge from one subject to another
 - Perform at levels of literacy that are advanced for their age
- Show particular skill at inference and deduction
- Able to make logical connections between events and people
 - Good understanding of cause and effect
 - Can discuss the significance of events, people and changes
 - Able to question, challenge and develop own lines of enquiry
 - Able to interpret and identify bias
 - Willingness to search for new information and ideas
 - Enquiring mind
 - Can express ideas succinctly and clearly
 - Very good listening skills
