27th January 2020

Dear Parent

You may remember that we wrote to you regarding a survey that all students in Year 8 were asked to complete. It is from the results of this survey that some students have been invited to take part in the programme.

We are writing to inform you that your son has been offered the chance to join a Risk-Avert group which will be running in school over the next half term. This decision is based on some of the answers given in the survey.

Taking part in the programme doesn't mean there is anything 'wrong' with your son. Any child will benefit from taking part. What it does provide is an opportunity to learn more about positive decision-making and how we can manage risk in any situation.

Students taking part will be champions of the programme throughout the school and will have the chance to further develop the programme for other young people across the country.

We hope you also feel this programme will be of real benefit. If you do *not* wish your child to take part please complete the form using the link below by **Friday 7th February**.

For further information please visit the Risk Avert website <https://www.risk-avert.org>

Alternatively, to discuss anything related to the programme please contact Mr Banham (Head of PSHE) or Mr Groves (Leader of Year 8).

.....
Risk-Avert Programme Form Link - please only complete this form if you do *not* wish your son to take part.
