Year 10 Team Building Day – Thursday 13th November

Dear Parent and Carers,

It has been an excellent start to the year for Year 10, with a smooth transition into KS4. Thank you for all you have done to support your child in this transition over recent weeks. As you will be aware, all of the forms have been mixed up as we enter KS4 and so your son will be in a form with students he may not have previously interacted with or had the opportunity to get to know. In most cases, your son also has a new form tutor, who will be there to support him over the next two years.

On Thursday 13th November, we will be holding a Team Building day for Year 10 which will contribute to building strong friendships and positive interactions within the year group. This day will take place off-site at Stubbers Adventure Centre in Upminster. The day will involve your son participating in three different sessions throughout the day including tower based, target based and water based activities. All of these will be overseen by appropriate instructors provided by the centre. In addition, we will arrange transport to/from school, leaving at approx. 8am and returning around 4pm (exact timings to be confirmed).

The cost of the day will be £47.60 and this can be paid on Wisepay via the trips section. The deadline for payment is midday on the 23rd September 2025. If this timescale is likely to be a challenge for you, please contact Miss Payagala in the finance office and she will be happy to discuss a more personalised instalment plan.

Please fill in the following offsite visit form by the deadline mentioned above. We cannot allow your child to attend the trip without a completed off-site visit form.
