November 2025

Dear Parent/Carer,

Re: Road Safety Theatre Performance – Dead End

As part of our ongoing commitment to supporting the personal development and wellbeing of our students, we have arranged for the Safer Essex Roads Partnership to deliver a Road Safety Theatre Performance titled Dead End on Wednesday 12 November 2025.

Dead End is an award-winning educational theatre and workshop experience aimed at helping young people understand the key risks associated with road use, whether as drivers, passengers, or pedestrians. Through interactive drama and discussion, students explore real-life scenarios and learn about the “Fatal Four” causes of road collisions: speeding, mobile phone use, seatbelt neglect, and driving under the influence. More information about the event can be found here: [Dead End Case Study - Collingwood Learning](#).

The session will take place from 2:00pm to 3:30pm (Registration to Period 3) in the school main hall. Students will miss their Period 3 lesson on this day. If the event finishes slightly earlier, students may be dismissed from approximately 3:15pm to make their way home.

We believe this performance will be a valuable and thought-provoking experience that encourages students to reflect on attitudes and responsibilities regarding road safety.

If you have any questions about the event, please do not hesitate to contact us via email at ks4admin@shsb.org.uk.

Thank you for your continued support.

Yours sincerely,

Mr Nzemeke
Director of Key Stage 4
