Dear Parent/Carer,

### Southend High School for Boys Charity Week 2026

Every year at Southend High School for Boys we run a charity week, aimed at raising funds for good causes.

This year, all funds raised from the school charity week will be divided equally between the school's charitable trust, and Trust Links Southend, which works to improve mental health, wellbeing, and the environment in Essex.

Last year's charity week was a huge success, raising over £11,000 in total. This year we are aiming to raise even more!

In order to do this, we are running many different events in school across the week of 2<sup>nd</sup> – 6<sup>th</sup> March. More information about events and how you and your child can show your support will follow shortly.

One of our showpiece events is the school charity quiz. Friends and families of students are invited to come along for an evening of quizzing, food, drink, and fun challenges designed to raise lots of money for our chosen causes.

As part of the evening's events, we hope to run a raffle and auction, encouraging people to bid on prizes. It is with this that we are seeking support from local businesses. We are hoping for donations of gift vouchers, discounted meals, free items, etc. to raffle or auction off at our quiz, and would gratefully receive any kind donations you may be able to offer. Any businesses that are able to contribute will be advertised prominently during the charity week and publicly thanked for their donations.

In addition, we are also seeking smaller ticket items such as food, drink, books, games, etc. to raffle off as prizes. Again, any donations would be gratefully received at the main school reception.

Please feel free to contact me via email at [clf@shsb.org.uk](mailto:clf@shsb.org.uk)

Thank you in anticipation for your support

Kind regards

**Charlie Foley**
