Dear Parents and Carers,

As you are aware, the Year 11 mock examinations began this week, and I know the majority of students are working hard to achieve their best possible grades. I wish them every success.

Following the positive response to our earlier request to gauge interest, I am pleased to confirm that the Easter Revision School will be running this year. Please find the outline of the plan below. Kindly read it carefully before completing the Microsoft Form with your son:

- Easter Revision School will run for three consecutive days over the Easter holiday.
- Dates: Monday 30th, Tuesday 31st March and Wednesday 1st April.
- Each day will consist of a two-hour session with a 30-minute break in between.
- Session 1: 09.00 to 11:00, and session 2: 11:30 to 13:00.
- Sessions will be led by subject specialists/teachers.
- The total cost (£15.00 per session) will be covered for students identified as Pupil Premium and those eligible for Free School Meals, and we strongly recommend that pupils in this cohort take part.
- Students may choose how many days they wish to attend and can select up to six subjects in total.
- Only the subjects listed on the form are available. Separate and combined science subjects will be taught together, so please only select your son's preferred option.
- Subjects can only take place if there is sufficient take up from students.
- Students are not expected to be in school uniform.
- A separate email will be sent to parents of Design and Technology students outlining the support available in that subject.

May I encourage you to complete this form with your son to select the subjects he would like participate in. The link to the form is as follows: [Easter Revision School Student sign up 2026 – Fill in form](#)

Your response by **Friday 27th February** would be greatly appreciated as we may not be able to accommodate any late entries.

Thank you for your support. Please do not hesitate to contact me via ks4admin@shsb.org.uk if you have any questions.

Yours sincerely

Mr Nzemeke
Director of Key Stage 4
