Dear Parent/ Guardian

You are receiving this email because your son did not reach his target grade in the recent Religious Studies mock examination.

I firmly believe that your son has the potential to achieve his target grade in his GCSE examination this summer. In order to give him the best chance of doing this, I would be most grateful for your support in encouraging him to begin revision early using all of the resources which are available to him, most of which I have published on TEAMS. Specifically, your son should:

- Learn a range of sources of wisdom and authority
- Ensure that he really understands the requirements of the different examination questions
- Use GCSEpod to support his revision
- Make use of knowledge organisers (a blank is available on TEAMS) to focus on the key requirements / knowledge for each topic.

Thank you for your support and I look forward to seeing your son achieve his potential in his final GCSE examination.

Yours sincerely

Debbie Child
