FAQs

FAQs*

What does 'income' mean?

This is your combined annual family income, before tax and national insurance have been deducted. But you can deduct any pension contributions made. If you're self-employed, your income is the total income amount on your Self-Assessment form.

Is there a penalty for repaying early?

No, you can pay some or all of the loan off early with no penalty

When do the '40 years' start?

The first April that you are eligible to make repayments from (normally the April after graduation)

Supporting two (or more) students at the same time?

Your income will be reduced by approx. £1,130 a year (if you have a child under 16 and/or another child at university)*

Which tax year are Student Finance England asking for?

2024 to 2025 if your child or partner is applying for the 2026 to 2027 academic year

*Multiple sources. Correct as of September 2025 for September 2026 entry.

FAQs*

My income will be lower this financial year. What should I do?

You can give your details for the current tax year if you think your household income will be at least 15% lower than the tax year you've been asked to provide details for

What is 'household income' (supporting your child)?

You, your partner, if you live with them (even if you were not living with them during the previous tax year)

What is 'household income' (supporting a partner)?

Your household income is the combined income of you and your partner (even if you were not living with them during the previous tax year).

Will the loan affect a mortgage application?

No!
