Headteacher: Mrs R V Worth

SHSB Charitable Trust

A very warm welcome to SHSB Sixth Form! We hope your child will thoroughly enjoy their time here in our popular and consistently over-subscribed sixth form, build lasting friendships, gaining the academic ability to reach for the stars, making your dreams and aspirations come true.

As many of you are aware, government funding for the education sector has significantly declined over the past decade. Southend High School for Boys continues to provide an outstanding education for its pupils despite the fact the per-pupil funding is now 20% lower than it was in 2014. The cost of everything including classroom materials, utilities, general day to day essential operational charges and buildings maintenance, have continued to rise. As a result of all this, the school has been operating at a deficit in recent years.

To address this challenge and safeguard our school's future, we have recently established the Southend High School for Boys Charitable Trust. The sole purpose of this trust is to raise the desperately needed funds that are required to ensure that our school can continue its proud 130-year tradition of excellence - enhancing educational resources, supporting extracurricular activities and investing in innovative teaching methods wherever possible. Above all, we are committed to ensuring that no student's experience is diminished due to financial constraints.

As parents and guardians, your support is vital in helping us achieving our goals. By making a regular monthly donation to the Charitable Trust, you can make a real difference. For example: £12.50 per month = £15 with Gift Aid, £25 per month = £30 with Gift Aid and £50 per month = £60 with Gift Aid. Equally, you may wish to join the recently founded 2025 Society by donating £20.25 per month or an annual lump sum of £243. You may of course choose any value and regularity to suit.

Please kindly make your contribution to the Charitable Trust by using the link below – it couldn't be easier:

Should you wish to make a larger personal one-time donation, that would also be gratefully received via the link – be assured that every amount will make a meaningful difference. Our goal is to not only secure your child's education today but also protect the future of Southend High School for Boys for generations to come.

Thank you for your support.
