6th July 2026

Dear Parents and Carers,

We are updating our Relationships and Sex Education (RSE) and Health Education Policy in line with government guidance ready for September 2026 and we would like to consult you on your thoughts about our curriculum. The views of parents and carers are incredibly important to us and will enable us to tailor our curriculum to provide the maximum benefit to your children.

Please find attached a copy of our draft Relationships and Sex Education (RSE) and Health Education Policy for you to review. We would be grateful if you could provide feedback via this Google Form: <https://forms.office.com/e/GBnHMYMLsX> to share your thoughts. Please ensure that you have filled in your views by Monday 13th July.

We will also be running online information briefings for each Key Stage in the Autumn term to share a sample of our teaching materials and provide the opportunity for you to ask any questions that you may have. If you have specific questions that you would like us to address, please include them in your response to the form above.

Many thanks,

Mrs K Iles
Subject leader of PSHE
