Dear parents

A reminder that in just a few days our pupils will attempt to make history by setting a **new world record**. Every child will take part, every class will be represented and the whole event will be streamed live for families to enjoy. If you haven't yet had the opportunity to sponsor your child, there's still time.

Every pupil will be taking part in the tournament, and we'd love every family to be represented among our sponsors too. If every family were able to meet the suggested £10 sponsorship, together we would raise an extraordinary sum that would directly benefit every child in the school. While our suggested target is £10, every donation - large or small - helps make a difference.

This isn't just another sponsored event; it's an opportunity for every child to take part in something they will remember for years to come!

Monday will be a late start with pupils starting at 9.30am – there will be provision for those who have to come in early, such as those using contract buses

There will also be an early finish – approximately 2.30pm – again, there will be provision for those who cannot leave at that time.

Pupils will need to wear their PE kit so that they are wearing their house colours.

Thank you for your continued support of our school.

Your sincerely
