

Southend High School for Boys

Locker Guidance for Parents of Year 7-11

2026-27

Year 7-11

Lockers can be rented on an annual basis; the total annual cost of this is £10. At the end of the academic year your son will need to return his key to his form captain/form tutor if in Year 7 and 8 or to the finance office if in Year 9, 10 and 11 before the deadline. The £10 is a contribution to the school for the provision and upkeep of the lockers.

Lockers should be paid for through Parentpay; once you have paid, your son will be able to collect a key from his form tutor in September. Please note, it is your son's responsibility to collect his key.

The charge to replace a lost key is £10. Students must come to the Finance office to collect any replacement keys during the academic year. Any student who fails to return their locker key at the end of the year will also need to pay £10 for the replacement key.

This rental process is on a first come first served basis, with approximately one quarter of the school population in Years 7-11 provided for.

All lockers must be emptied and left open by pupils at the end of each term to enable cleaning by the caretakers.
