Teacher of Business

Required from September 2019

We are an oversubscribed grammar school, **complimented on our latest (2015) outstanding OFSTED inspection** on all aspects, including our success in promoting good pupil attitudes and behaviour.

We are seeking to appoint a qualified, highly motivated, enthusiastic and inspirational Teacher of Business. The successful candidate will have excellent subject knowledge and be able to foster enthusiasm and enjoyment of their subject and be able to maximise the potential of our students by raising their aspirations as well as their attainment. They will be hard-working and enjoy working collaboratively with colleagues to achieve excellent results.

This appointment is due to the increase in pupil numbers choosing to take the subject at A-level and would be an excellent opportunity for either an NQT or experienced teacher to join this outstanding department.

This is a full time post although substantial part time would be considered. The offer of a 2nd subject would be advantageous.

The successful applicant will be subject to an enhanced DBS check.

Full details of the role and department are on our website - www.shsb.org.uk

Closing date: Midday Thursday 24th January 2019 (although we reserve the right to call early applicants to interview prior to the closing date)
