Fax: 01702 606257

Website: www.shsb.org.uk

Headteacher: Robin M Bevan MA MEd PhD FRSA FCCT

Science Technician

Salary: LG Band 3 (to midpoint)

(Full time equivalent £19,171 gross p.a. starting salary
which will be pro-rata to hours worked)

**3 days per week – Wednesday – Friday term time only
8am – 4pm daily**

To start September 2019

We are a hugely oversubscribed school, complimented by our recent outstanding OFSTED inspection on many aspects including our forward vision and academic excellence: *“attitudes to learning and relationships between staff and students are exemplary”*.

We are looking to permanently appoint a highly capable and self-motivated Science Technician. The successful applicant will ideally have had some previous experience (not necessarily within an education setting), and some knowledge of chemistry would also be an advantage but not essential.

The role requires preparation of materials and equipment for secondary level science classes and applicants should be able to demonstrate familiarity with the CLEAPSS systems and COSHH regulations.

A full job description and person specification can be downloaded from our website, together with an application form.

The successful applicant will be subject to an enhanced DBS check.

CLOSING DATE: Midday Friday 10th May 2019 (although we reserve the right to close early should there be a large number of applicants).
