

Parent GO 4 Schools Mobile App Quick Start Guide

The GO 4 Schools Mobile App keeps you informed about any of your children who attend any school that subscribes to GO 4 Schools to ensure you can see how they are performing at school. The App is completely free of charge to both parents and students, where the school has a subscription to the GO 4 Schools App module and can be downloaded from:

What the App can show you?

Currently you can view the timetable and attendance information for your children.

| | <ol style="list-style-type: none"> 1. Tap on the App to open. 2. Type in your email address and password. <i>This is the same email address and password you use to log into the GO 4 Schools website.</i> 3. Click on 'log in'. <i>If you are a first-time user, you will need to log into the website first to receive your password.</i> |  | |
| <p>Tap on the menu in the top-left corner to access messages and settings.</p> |  | <p>From the menu you can view messages, or swap between schools and select individual students with GO 4 Schools accounts. Your settings can also be accessed from this menu.</p> |  |

From the main screen you can also tap on the timetable for more information.

You are then presented with today's timetable. You can tap or swipe to previous and future days at the top.

From the main screen scroll down to view attendance information. A chart displays the overall percentage attendance

The App will also display detail about specific attendance marks including authorised and unauthorised attendance marks. Late marks are incorporated into the overall attendance marks and unknown marks are waiting for confirmation of the reason for the absence.
NOTE: There are two possible sessions in a school day, AM and PM.

Continue to scroll down the app to the Behaviour information. This will display a bar chart of both negative and positive behaviour points over time, the chart can be scrolled across throughout the year. Positive points are shown in green and negative points in red with a total points count.

If prefer you can toggle the graph to show the number of events rather than points. This will allow you to see the number of positive and negative events recorded over time. Again, you can scroll the chart across and positive events are in green and negative events in red.

If you tap the 'details' button or tap in the white space around the behaviour chart you can then view the detailed event record for your child including the date, the subject, the event type and the associated points. This is useful to see if positive or negative behaviour are occurring in certain lessons.
